Communications

- Well, once again, it's time for me to deliver the "dues talk" (I just *hate* when that happens!). See, when your dues is due you are duly required to do your best with all due haste to pay your dues when they is due. Now, if you don't do, you know pay your dues when due, then you may end up in deep doo doo. And, nobody will listen to you if you say, "Who knew the dues was due?" Because I can always point to this edition of the newsletter informing y'all that, with all due respect, it is time to pay your dues. Dues is now due! Now, all you have to do is read on a bit:
