## New Members

Two new members were inducted into the club at the February 23<sup>rd</sup>: Carlos Evans, Pilot; and Carlos Jarrod Evans, Novice. Welcome, gentlemen. Now if this weather ever improves we hope to see you at the field!

## Communications

The AMA's National Model Aviation Day will be held on August 15 this year. Eric Meyers is trying to get all of the local clubs to participate. The AMA raised \$200,000 last year and donated it to the Wounded Warrior Project which will be the beneficiary again this year. This is a worthy cause! Additional information will appear in the newsletter as we learn more.
