Student: “A drinking problem.”

New Members

We signed up another member at the August club meeting: Anthony Phillips, Youth Pilot. Welcome Anthony! Our membership now stands at 122!

Communications

- Our president, John Dillewyn, fell from a ladder in mid-August, and broke his right hip. He had hip replacement surgery the next day, which went well. Please keep John in your thoughts and maybe even send him a *get well soon* note.
- Our next fund raiser Fly-In will be held on October 15, 2016. Details will follow as we get closer to the date.
- Field Search – There has been a lot of activity but no results yet. Our property is not yet divided. And we have not heard from the owner lately. Keep your fingers crossed.
- Tim Pritchett recently competed in the National Aerobatics Competition in Muncie, Indiana and came in second overall in the Intermediate Class. Congratulations Tim!
- Tim Pritchett gave out some mid-term Props 'n Brats awards at the August club meeting:

Novice - Tom Saniewski
Sportsman - Jim Giannico
Intermediate - Chris Holiday

Congratulations gentlemen!

- Our next Props 'N Brats contest was originally scheduled for September 17th, but that will interfere with the Monroe NC Pattern contest, which some of us are planning to attend. Please plan on meeting again the following week, on Sunday, September 25th, which appears to be a safe gap in our regional activities, and will allow those with regular Saturday conflicts to participate. A similar move to Sunday is planned for October's contest. Here are the dates:

Sunday, September 25th @2:30 PM
Sunday, October 16th @ 2:30 PM

That's Vladimir Lenin shooting some hoops.

Seems a bit unfair, though ...
